ANGELICA LIVEABOARD:

DETAILS & ITINERARIES

About Us:

Our Story

Angelica is not merely a yacht, but a quiet expression of craftsmanship and intention. Rooted in Indonesia's phinisi heritage, every detail is thoughtfully composed to balance tradition with contemporary refinement.

Designed as a boutique experience at sea, Angelica offers an intimate atmosphere where space, light, and simplicity define each moment. From concept to completion, it reflects a pursuit of understated luxury, where every element serves a purpose.

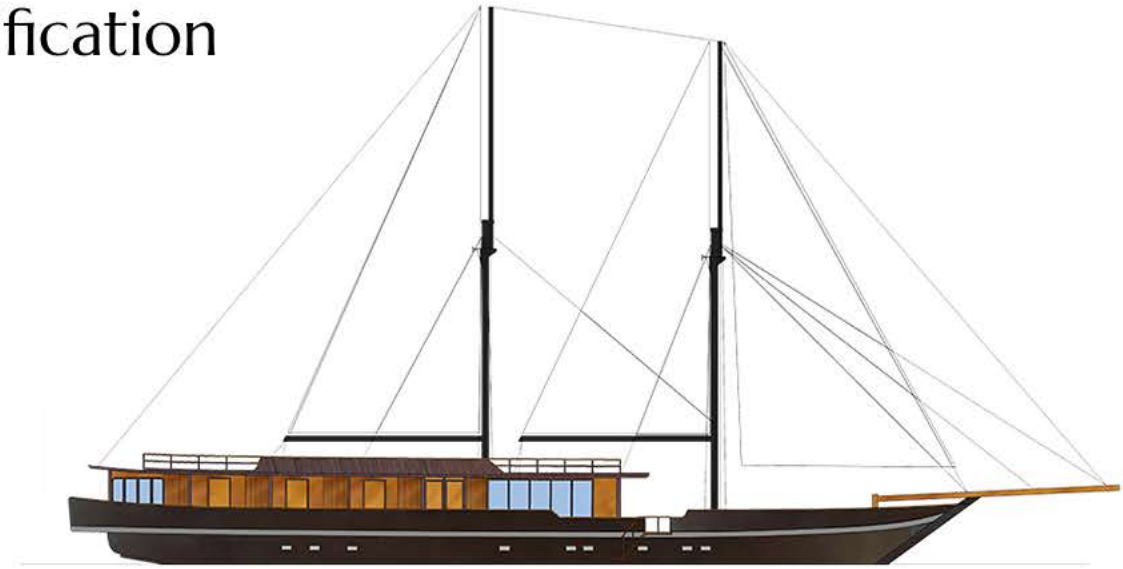

Sailing through the pristine waters of Komodo, Angelica invites you into a slower, more considered journey. One that is less about destination, and more about presence.

With curated spaces, refined comforts, and attentive service, each stay is designed to feel personal. Effortless, elegant, and quietly memorable.
